

Thank you!

Dear members of the Ex Libris Association,

My name is William Fayant, I am a Library Information and Technology student at Red River College Polytech, and I am writing this letter to express my gratitude to you for being selected for this year's Ex Libris Association Indigenous Student Bursary of \$2,500.

It is a great honour to be the recipient for this scholarship; thanks to your generous support, I now have the financial means of pursuing my studies full-time, and can sooner work towards achieving my dream of building/supporting strong readers in my community through working with the library!

Working towards this degree is just the first step for me, however, as I would like to eventually continue my studies with a masters in Library Science, after completing my degree and gaining firsthand library work experience. It is thanks to your generosity that I am now able to successfully take these initial, but significant steps towards my life goal.

Thank you very much for your support,

William Fayant

Library and Information Technician,, Red River College of Applied Arts, Science & Technology
