## **Comments:**

"From the beginning Katherine strove to further the application of technology in library operations and library education through her teaching and research â€¦ She will be remembered not only by faculty, students and her many friends and associates as a distinguished practitioner, teacher and administrator, and for her determination and dedication to library and information science in general and to FIS and its goals and achievements in particular - but mostly for her lively intellect, warm personality, sense of humour and friendship." (Henderson and Williamson).
